STAY TUNED

The Hypertension  
Heart Hub will continue  
to be updated for  
90 days following  
the conclusion of the  
meeting.

The screenshot shows the American Heart Association Hypertension website. At the top, the navigation bar includes links for 2020 SCHEDULE, EXHIBITS, SCIENCE NEWS, JOURNALS, MEMBERSHIP, and CLAIM CME. A search bar and links for Virtual Sessions Access and ePosters Access are also present. Below the navigation bar, a banner for VIRTUAL SESSIONS highlights invited talks, oral abstracts, and more, with an ACCESS button. A video player features Dr. Curt Sigmund welcoming visitors. To the right, a sidebar offers NAVIGATION TIPS, WATCH (Comprehensive Guide on Hypertension), and an EARLY CAREER CENTER with a video and blog link. The main content area displays TODAY'S SCHEDULE for Thursday, September 10, 2020, with sessions on Opening Remarks, Recent Advances, and Clinical topics. Below the schedule is a SCIENCE NEWS section with an article on heart failure in women. A featured content section highlights the Opening Session and Lecture on Genetics of Primary Aldosteronism. The bottom section, INDUSTRY PARTICIPANTS, lists sponsors like Carbor Pharmaceuticals, DSI, and ReCor Medical. A footer contains links for About Us, Get Involved, and Our Sites.
