## ISC22 Health and Safety Information

All #ISC22 participants are required to present proof of full COVID-19 vaccination (booster not required) and a negative test\* (rapid antigen or PCR, taken within one day of check-in) upon entry to the Ernest N. Morial Convention Center, prior to approaching Registration for a conference badge.

Before arrival to the convention center, complete your Health Pass by CLEAR for faster entry at check-in.

**Step 1:** Use the QR code at right to download the CLEAR app and enroll. Tap on the white Health Pass tile and use the code: **EFATTENDEE406**.

**Step 2:** Tap "enroll or verify in CLEAR" to create your CLEAR member account. New users will need to submit their government-issued IDs.

**Step 3:** Follow prompts on the Entry Requirements page to securely confirm your proof of full vaccination.

### ON-SITE TESTING

Complimentary rapid antigen testing will be administered by Reel Health on-site for your convenience. Enter the Ernest Morial Convention Center at Julia Street (nearest the Hilton Riverside) and proceed to the Mosaic Lounge, just inside the entrance, on the right.

To save time upon arrival we encourage all participants to test in advance if possible. If testing on-site, plan for extra time to await testing and results.

### ON-SITE TESTING HOURS
